# MISSION AND ACCOMPLISHMENTS

For the last 30 years, the BMP Foundation has actively served its community and cares deeply about the patients and staff at the BMP Hospital.

## MISSION

The Brome-Missisquoi-Perkins Hospital Foundation contributes to improving the accessibility and quality of healthcare provided to the population of Brome-Missisquoi. Through the Brome-Missisquoi-Perkins Hospital and the services the Hospital also provides outside the boundaries of its walls, the BMP Foundation contributes to the purchase of state-of-the-art equipment and the implementation of projects for the continued improvement of healthcare and related services.

## ACHIEVEMENTS

- Since 1993, the BMP Foundation has invested more than 32 million dollars in:
- Purchasing state-of-the-art equipment;
  - Modernizing the Hospital's facilities;
  - Additional training for medical staff;
  - Providing bursaries for studies in healthcare.

# MESSAGE FROM THE BMP FOUNDATION

**M<sup>e</sup> Patrick Boucher, Ad. E.**  
LL.B. Chair of the board

**Francis Laramée**  
Executive Director

Dear friends of the Foundation,

Because our community is so tightly knitted, it carries all aspects of our region on its shoulders, including its health care system. This is why the Foundation has developed programs and funds that allow us to invest not only in state-of-the-art equipment for the various installations of La Pommeraie, but also in social and therapeutical services.

We owe all our accomplishments to the generosity of our donors, sponsors, and collaborators. We are also very grateful for our amazing team of volunteers and the work they put in all year long.

In this 2023-2024 Annual Report, the BMP Foundation is proud to present a few of its programs and funds: medical equipment purchases, Youth support fund, and its Leisure fund for the elderly thanks to which we can organize animal therapy sessions.

Highlighted in this report is the union of the Foundation with two long-time friends: the BMP Auxiliaries and the Fondation du Centre d'accueil de Cowansville. Both have been supporting the BMP Hospital for decades.

Every move we make, every decision we take were initiated by your generosity. This year again, we thank you for giving us the immense opportunity to improve health care in our beautiful region of Brome-Missisquoi, a little bit every day.

# WORD FROM THE CIUSSS de l'Estrie - CHUS

**Stéphane Tremblay**  
CEO of CIUSSS de l'Estrie - CHUS

**Annie Boisvert**  
Assistant General Manager  
Specialized and general  
Physical Health Programs of  
CIUSSS de l'Estrie - CHUS

The Brome-Missisquoi-Perkins Hospital Foundation has been supporting our hospital's mission for 30 years. Over time, our partnership has evolved to meet the healthcare needs of the population of La Pommeraië's territory. Thanks to the Foundation and the donors who support it, we can acquire state-of-the-art medical equipment year after year, offer more employee training, and improve care spaces.

In 2023, the BMP Foundation allowed the participation of our OB-Gyn staff to the Best of Big Apple International Congress. In this social context, it is essential to keep our working staff updated on new knowledge to maintain the quality of the health care we offer to the patients of the CIUSSS de l'Estrie-CHUS. We are happy to be able to count on the BMP Foundation to offer our professional staff continued training and education.

Our gratitude goes to the Foundation team for helping our facility meet the highest standards of quality in healthcare and social services.

Thank you for your indispensable support!

## Team of the RLS La Pommeraië

- Annie Boisvert, Hors-cadre désignée
- Rosane Rivard et Philippe Préville, Gestionnaires désignés
- Isabelle Tardif, Organisatrice communautaire
- Guillaume Tanneau, Coordonnateur opérationnel local
- Dre Judith Gagné, Coordonnatrice opérationnelle locale médicale
- Anne-Sophie Laliberté, Conseillère en communication

# ENHANCEMENT AND COMPASSION PROJECTS

In 2023-2024, thanks to its donors, the BMP Foundation has invested over \$907,645 in the improvement of healthcare. Here are our accomplishments:

## OPERATING ROOM - \$8,286

Welsh Allyn Vital signs monitor

## HOME CARE - \$2,102

Home care security equipment

## OPHTHALMOLOGY - \$36,938

Corneal topography machine

## ONCOLOGY – PATIENT SUPPORT - \$3,328

Yoga sessions

## CHSLD – SPECIAL PROJECTS - \$69,444

Music concerts

Wishower portable bath

Individual identification frames

Living environment improvement

Sensory Pillows

Tovertafel Interactive Activity Table

Smartboard Interactive Entertainment Tablet

## MEDICAL AND COMFORT EQUIPMENT - \$614,426

MEDESYNC patient information system  
(patient file management in urology)

CLSC – Medical consultation equipment

Portable ultrasound machine

Syringe driver (automated medication administration)

Laryngoscope devices

Thulium Laser (urological surgeries)

16 scopes for exams (External Clinic)

## MINOR EQUIPMENT - \$5,503

Therapeutic bedding surfaces

Systoe Machine (bedsores management)

## CHSLD – LEISURE FUND FOR THE ELDERLY - \$43,439

Activities for residents

(Cowansville, BMP Hospital, Bedford, and Sutton)

## HEALTH AND WELL-BEING OF BMP HOSPITAL EMPLOYEES - \$13,823

Recharge Relaxation Cabin

Summer Gratitude Activities

(BMP Hospital, CLSC and CHSLD of RLS la Pommeraie)

Furniture for BMP Hospital staff room

Equipment for BMP Hospital Pharmacy staff room

## BMP HOSPITAL THERAPEUTIC GARDENS - \$8,360

Exterior designs and plants for intergenerational activities

## BECAUSE WE CARE BMP FUND FOND DU COEUR BMP - \$608

Equipment and personal hygiene material for vulnerable people

## BIRTHING PAVILION - \$17,538

Bladder Scan for bladder volumetric data

Nursing chairs - CLSC

Welcome to the world - Group Art Therapy

*Bienvenue au monde*

IBCLC Lactation consultant training

## MEDICAL IMAGING - \$8,199

Technologist Training (OBGYN)

## YOUTH FUND (DPJE) - \$13,027

Help to the vulnerable youth of RLS La Pommeraie

## BROME-MISSISQUOI HEALTH FUND – \$62,624

Winter Warming Centres for homeless population

Financial support to proximity workers

initiatives in Brome-Missisquoi

Financial participation to home care equipment

in remote Brome-Missisquoi areas

# ENHANCEMENT AND COMPASSION PROJECTS

## A CHRONOS DEVICE FOR THE CENTRAL STERILE SERVICES DEPARTMENT (URDM)

A safe and ecofriendly device for the sterilization department. Thanks to a \$40,000 investment from the BMP Auxiliaries, our foundation was able to provide the URDM with a CHRONOS, making BMP Hospital one of the first hospitals in Estrie to ever acquire one.

The Anti Germix AE1 device is an organic solution fast system used by the sterilization technicians for the disinfection of transesophageal echocardiogram probes. It eliminates almost 100% of the risks of accidents related to the manipulation of disinfecting solution making its purchase and installation a great improvement on the team's work conditions and the quality of the process. The Anti Germix AE1 accelerates the disinfection process et increases the lifespan of the probes.

*"Thanks to this new equipment, I am so happy to say that I've seen many improvements : our work environment is safer and more comfortable, there is more safety for the patients as well. We also definitely take a lot more care of Mother Earth since we stopped using disinfecting solution that had to be poured manually and in large amounts in the sinks to sterilize the probes. The team and I are very proud to contribute to a sustainable work environment by reducing the waste linked to this process. The Anti Germix AE1 is also very fast, and that directly benefits the patients by facilitating the interventions. Thank you to the BMP Foundation!"*

Rénatanne Viens, head of department, Central Sterile Services Department (URDM)

## YOUTH FUND

In 2019, confronted to an alarming lack of resources for young people living in precarity on La Pommeraiie's territory, the BMP Foundation, in association with the CIUSSS de l'Estrie-CHUS, created a fund dedicated to helping our youth.

Originally, the fund was created with an initial budget of \$19,500, meant to last during its first few years. The requests are diverse and all had in common a need for reinsertion for kids, teenagers, and young adults alike. It spans over sports, arts, culture, home care equipment, and as far as speech therapy. One of its most beautiful features is *My Own Roof!* A program providing the essential furniture to young people in need of a little help.

Early 2024, the Foundation invested another \$15,000 in the Youth fund, a new instalment mirroring the needs of our population. We answered 30 requests about young people in difficult situation in the last year only. The BMP Foundation is extremely proud to support the children and teenagers of Brome-Missisquoi since 2019.

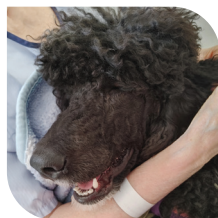

Sylvain Cummings, Chef de service DPJ - Application des mesures, with the staff from Cowansville office  
Centre intégré universitaire de santé et de services sociaux - Centre hospitalier universitaire de Sherbrooke  
Centre jeunesse de l'Estrie - Bureau de Cowansville

# ZOOTHERAPY TO COMBAT LONELINESS AMONG THE ELDERLY

## PETS TO RELIEVE ACHES AND PAINS

For the past two years, the BMP Foundation has been funding zoo-animation and zoototherapy sessions, in collaboration with the wonderful Isabelle Bouthillette. Under the banner of her company "Les Amis de Delphine", Isabelle travels between the CHSLDs of Brome-Missisquoi, the long-term care residents and the medical floor of the BMP Hospital, bringing joy with her pets. Whether it's Cleopatra, her Rex Cornish cat, Cookie, her miniature poodle or Diva, her royal poodle, the residents' reaction is always instantaneous. Pain and loneliness yield to smiles and memories.

As Isabelle explains: *"The benefits of these sessions are undeniable. The other day, I came face to face with a new patient who hadn't spoken since his arrival at BMP Hospital. As soon as he saw my dog, his face opened. He started talking about the dog he had as a child, and little by little we learned more about his history and how to take care of him."*

Isabelle has plenty of examples to share with us! Amélie Paquette, Head of the Department of Medicine at BMP Hospital, agrees: *"Animals bring comfort and moral support to the patients. Their smiles and joie de vivre rekindle an inner flame that is often extinguished. The visit is eagerly awaited and residents talk about it constantly, reminding them of their past and bringing hope. These are sweet moments of trust between the pets, the residents and us, the staff."*

With your donations, the BMP Foundation wishes to continue this project, which brings so much happiness to patients. Every week, the residents look forward to the visit of Isabelle and her pets! Thank you for allowing us to offer them this special moment.

## TESTIMONIES

*« What a thrill I just had! A lady just visited me with her cat and a beautiful dog. The cat laid on my bed and I petted her for about 20 minutes. It felt so good because I miss my own cat very much. »* Lucie Bernier, BMP patient.

*"I love animals so much and when Isabelle pops in with her cats, dogs, and horses, I am so happy! It just makes my day. I love them so much, thank you !* Denise, CHSLD Cowansville.

*"I love when Isabelle comes for a visit. I love all the animals she brings, especially the dogs and mini horses. She takes me outside along them."* Ginette Blanchette, CHSLD Cowansville.

*"It is so heartwarming to see our most anxious, sad, or distressed patients smile whenever Isabelle comes in with the pets. The happiness is instant."* Christine Baril-Côté, auxiliary nurse.

*"With the help of the animals, Isabelle can motivate some patients to use the shower or accept care from the staff. I am an orderly and I think her visits are very useful to the hospital. Thank you !"* Jean-Sébastien Leblond, orderly at BMP Hospital.

*"A visit from Les Amis de Delphine takes me back to my farming years, surrounded by my beloved animals. They comfort me, and I keep the souvenir of these visits all week long. I never can wait for Thursdays !"* Guy Choinière, BMP patient.

*"Thank you for the humanity and the relief you bring to our patients with every visit of your lovely pets. It's always a pleasure for the patients and our staff to meet with your small and bigger dogs. It's a most welcome moment of peace during our patients stay at BMP Hospital. Thank you!"* Julie, activity coordinator BMP Hospital.

*"Thank you for the wonderful visit and magic time I had with your beautiful pets that stamp their paws in our hearts forever. Your coming made me feel so much better. Thank you so much!"* Bernadette, BMP patient.

# UPCOMING INVESTMENTS

The BMP Foundation happily supports the efforts of the CIUSSS de l'Estrie-CHUS in developing the endoscopic services offered at the External clinic of BMP Hospital. This renewal project encompasses the **acquisition of new scopes** as well as the opening of a **second procedure room**.

## RENEWAL OF THE ENDOSCOPIC EQUIPMENT IN THE SURGICAL OUTPATIENT CLINIC

With your donation today, you allow the BMP Foundation to support the CIUSSS de l'Estrie-CHUS in its efforts to develop endoscopy services at the BMP Hospital's Outpatient Surgical Clinic. This project involves the **acquisition of new scopes** and the development of a **second procedure room**.

This investment will enable digestive cancers to be detected earlier, by increasing the number of preventive examinations. By acting preventively, we hope to reduce hospitalizations and complications. It could also help reduce the backlog of appointments.

### TWO STEPS

- 1. Renewal of the scopes.** Acquisition of new devices, in new formats more suited to users and with more advanced technology.
- 2. Second digestive endoscopy room.** This new room will improve the flow of services.

Thanks to the contribution of the **Yamaska Valley Optimist Club** and its 2023 **Walk to Fight All Cancers**, two new colonoscopy machines valued at \$92,800 have already been funded.

♥ *Thanks to all the Walk donors and organizers.*

**Dorothée Roy**  
MDRU and ENDOSCOPIE Coordinator  
Department of Specialized, Surgical  
and Cancer Services (DSSCC)

*"This equipment would enable us to open 2 days of endoscopic procedures per week, giving an average of 20 extra colonoscopies per week. In terms of the number of patients, we could screen for colon cancer in over 1,000 additional patients. So the aim is really to detect cancer preventively and early, as well as to reduce the complications inherent in more advanced cancer situations. Thank you for helping us to launch the project now!"*

## STORAGE CABINET

**New scopes are great. Being able to store them optimally is even better!**

The Brome-Missisquoi-Perkins Hospital Foundation has acquired a ventilated storage cabinet for \$24,000. With this new ventilated storage cabinet, employees now have access to an ideal solution for storing flexible endoscopes, such as colonoscopes, gastroscopes and rhinolaryngoscopes. This type of equipment maximizes the lifespan of every piece of equipment purchased.

*"I'm very proud of this investment, as it helps me and my team of sterilization staff to comply with storage standards, thereby improving care and services to the population while enhancing the safety of my employees,"*

explains Rénatanne Viens, Head of Department, Medical Devices Reprocessing Unit.

Image as an example

# NEW RESPONSIBILITIES FOR THE BMP FOUNDATION

In 2023, the BMP Foundation proudly merged with two grand supporters of Brome-Missisquoi healthcare : the BMP Auxiliaries and the Fondation du Centre d'accueil de Cowansville.

## The BMP Hospital Auxiliaries

Since 1954, the BMP Auxiliaries are run by a small but capable team of volunteers who donate their time to raise money for new equipment at BMP. Offering patient essentials as personal hygiene products, comfortable clothing, books, and entertainment, the Auxiliaries also sell beautiful gifts and yummy snacks. The volunteers take care of the day-to-day business of the shop, and also raise money on special occasions.

Because our two non-profits have shared the same objective for a very long time, it only made sense that they joined forces.

Together, we plan on modernizing the Boutique. The Foundation has already bought a computerized cash register, and the Boutique now accepts cards and digital payments. A new logo has also been created. Nicole Arbour, volunteer manager, is now on the board of the BMP Foundation.

Last October, for a day, and to celebrate this merge, the Auxiliaries welcomed all the employees of BMP for a coffee and a muffin.

## Fondation du Centre d'accueil de Cowansville

For over 30 years, the Fondation du Centre d'accueil de Cowansville raised money for the resident of the Centre d'accueil de Cowansville. A few years back, the BMP Foundation created a fund dedicated specifically to the leisures of the residents from all 5 CHSLD of La Pommeraie, enabling us to pay for activities such as: animal therapy, music, chair Zumba, clowns, and puppeteers. To maximize available resources for patients, the Fondation du Centre d'accueil de Cowansville has thus decided to dissolve. They have chosen to entrust the BMP Foundation with their available funds because of our shared mission: to improve accessibility and health care quality provided to the population of Brome-Missisquoi.

*"It was after a long consideration and with a lot of emotions that we took the decision to dissolve the Fondation du Centre d'accueil de Cowansville. Our non-profit brought a lot of good things to the residents of the centre, and we are relieved to know that the BMP Foundation will take care of them for us."*

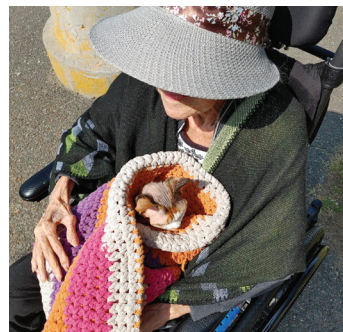

Édith Chaput, ex chairwoman of the board of the Fondation du Centre d'accueil de Cowansville.

The BMP Foundation wishes to thank the volunteers of the Fondation du Centre d'accueil de Cowansville very sincerely, as well as its chairmen and women, and some employees of the centre for their unwavering dedication and time. The results of their efforts will endure.

# RETROSPECTIVE 2023-2024

# SCHOLARSHIPS PROGRAM

## The Brome-Missisquoi-Perkins Hospital Foundation scholarships have two objectives:

- To encourage and help local students to undertake or pursue college studies in the health or nursing fields, depending on the type of scholarship awarded;
- To establish and promote a positive relationship between the bursary recipient and BMP Hospital (CIUSSS de l'Estrie-CHUS) and encourage them to build a career within the RLS La Pommeraié.

### HIGH SCHOOL SCHOLARSHIPS

The Foundation supports four local high schools by providing \$1,000 scholarships for graduates wishing to pursue their studies in the healthcare field. These students are selected by their educational institution.

### CEGEP SCHOLARSHIP

Thanks to the generous contribution of the Chawkers Foundation, the BMP Foundation can offer the scholarship program for years to come. In addition, it has increased the amount of the bursary to \$2,000 per year for each scholarship recipient. The BMP Healthcare Scholarship is intended for graduating students attending high schools in the region who wish to pursue studies in the DEC program in Natural Sciences. In 2023, this scholarship was awarded to Annie Hivon and Magalie Dagenais. The BMP - Nursing Scholarship is meant for future nursing students only and seeks to attract young people to this field, which is currently understaffed. Micah Lemaître and Savannah Jersey were the recipients of this scholarship in 2023. The four scholarships are worth \$6,000 each (\$2,000 per year for a maximum of 3 years). The laureates were chosen by a selection committee made up of a retired school principal, a BMP Hospital staff member, and a member of the community.

#### Annie Hivon, winner of the BMP Healthcare Scholarship

Despite a deep love for the scene and artistic creativity in general, Annie wishes to dedicate her future to medicine. She is a hard worker with a very scientific perspective on medical profession.

#### Magalie Dagenais, winner of the BMP Healthcare Scholarship

Magalie is young, but wise. She wants to work in health care to help others. She has a lot of beautiful qualities, among which the wisdom to know when to step back to better leap forward.

#### Micah Lemaître, winner of the BMP - Nursing Scholarship

Micah is a passionate and very caring young woman. A balanced lifestyle gives her access to an inextinguishable positive energy. As a nurse, she aims to become a source of comfort and reassurance for patients.

#### Savannah Jersey, winner of the BMP - Nursing Scholarship

Savannah has always made a priority to help others, so becoming a nurse was an evidence. She is eager to start working with patients to be as much of service as possible.

# SCHOLARSHIPS PROGRAM

## UNIVERSITY SCHOLARSHIP

In honor of Ms. Effie Margaret Côté

In November 2020, we were delighted to present a new scholarship offered by the BMP Foundation: the Effie Margaret Côté Scholarship. This important scholarship of \$10,000 is offered to a current nursing student or a current healthcare worker who is continuing their training at the university level. In 2023, the bursary was awarded to Élisia Mileto.

A long-time volunteer with a passion for her community, Effie Margaret Côté has been involved with the BMP Hospital for over thirty years. This scholarship seeks to honour her commitment to our hospital. Throughout her life, Effie has been dedicated to volunteering. During World War II, she began as a volunteer with the Women's Catholic League, which provided hot meals to soldiers. Upon her arrival in our region, Effie became an active volunteer with BMP Hospital Auxiliaries and the Knowlton Wellness Project. Appointed to the Board of Directors of the BMP Hospital from 1982 to 1984, she received the International Women's Day Award from the Yamaska Valley Optimist Club in 2009. She was also named Volunteer of the Year by BMP Hospital in 2009.

Ms. Effie Margaret Côté

**Elisa Mileto,  
winner of the BMP  
Effie Margaret Côté  
Scholarship**

Dedicated nurse at BMP Hospital, acknowledged by her peers, Élisia seeks to inspire people to self-develop and push their boundaries. She loves everything education, improvement, and specialization. According to her, those are the keys to a healthy health care system.

## SCHOOL VISITS

Since last spring, we are gladly welcoming students again for the BMP Hospital guided tours.

During the spring and fall of 2023, the BMP Foundation hosted six days of guided tours and welcomed 40 students of secondary 4 and 5 levels from all four high schools of Brome-Missisquoi. They visited six departments : Medical Imaging, Pharmacy, Laboratory, Respiratory Therapy, Physiotherapy, Ergotherapy.

We were happy to see interest spark in all these eyes.

## TESTIMONY

*The BMP hospital visits that are organized by the BMP Foundation are an excellent learning experience for our students. I have been fortunate enough to bring 3 groups of students on these visits. I leave every visit amazed by the dedication and passion that exudes from the health care professionals who we meet. The students are always impressed and amazed by what they learn during their visits, they especially love the hands-on approach to learning about careers in the Health Care sector.*

*Following the visit to the BMP, students are either able to validate their interest in a career or discover a new one.*

*The students of Massey-Vanier High School would like to thank the BMP Foundation for helping them learn.*

Tanis Moreland, Guidance Counselor, Massey-Vanier High

# CALENDAR OF EVENTS 2023-2024

Last year marked the long-awaited return of the BMP Brunch, and the first edition of the BMP Olympiades for Health. The BMP Foundation is so proud to be able to count on loyal participants but also its curious and dedicated community.

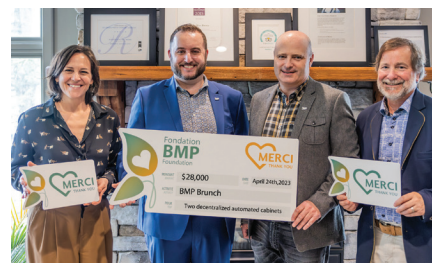

## MY SWEET BMP - \$2,215

In March, maple syrup lovers were able to indulge with our to-go event **My Sweet BMP**. In collaboration with Le Domaine de l'Artisan, we offered our participants a real feast! Thanks to the 80 meals sold, the proceeds amounted to **\$2,215. Thank you!**

## BMP BRUNCH - \$28,000

After a very long three-year break, we were so happy to witness the enthusiasm with which the participants reserved their place for either of the two services. **Thanks to these 321 participants, their eagerness for the draws that took place simultaneously, and to our sponsors, we raised \$28,000.**

## THE BMP CLASSIC - \$63,000

On June 14, 2023, cyclists and golfers of Brome-Missisquoi were expected at the Cowansville Golf Club. The event was presided over by Ian-Alexandre Lavoie, CEO of Transforce Beltal Inc. We thank him for his participation and motivation. **Thanks to our 176 participants, our sponsors and collaborators (stands and silent auction), the BMP Foundation made a profit of \$63,000.**

## OLYMPIADS FOR HEALTH - \$16,000

On June 9, 2023, the BMP Foundation organized the first-ever Olympiads for Health in collaboration with the schools of Sutton, Dunham and Frelighsburg. What an inspiring day, with motivated teachers, committed volunteers and generous collaborators! **Thanks also to all the sponsors and donors who helped us raise \$16,000 in profits!**

## OKTOBERFEST BMP – \$34,000

Last October, on the 14<sup>th</sup>, we held our traditional **Oktoberfest BMP**. The owner, Michel Thibodeau, spared no effort to create the most authentic atmosphere for our participants. **Thank you to Michel and Marcel Picard, owner of the Saucisson Vaudois, who prepared the sauerkraut, the sausages, and the delightful ham. Thanks to our 275 participants and our sponsors, our proceeds amounted to \$34,000!**

# CALENDAR OF EVENTS 2023-2024

## HOLIDAY AUCTION - \$2,000

During the two weeks that the online auction lasted, people were able to bet on great prizes, right on time to fill that empty space under the tree. **The winning bets led to a net profit of \$2,000.** Thank you to all the participants who “played” to the benefit of healthcare in Brome-Missisquoi!

## Events organized to the benefit of the BMP Foundation

## WILLIAM J. BARAKETT MEMORIAL KNOWLTON GOLF CLUB - \$65,260

We are so grateful for the Knowlton Golf Club for the annual event to the profit of the BMP Foundation they’ve held for 30 years now. On June 22, 2023, thanks to all the participants, the sponsors and the collaborators of both auctions, the KGC raised **\$65,260** for the BMP Foundation. **Thank you!**

## WALK TO FIGHT ALL CANCERS YAMASKA VALLEY OPTIMIST CLUB - \$100,000

On Sunday October 1, the Yamaska Valley Optimist Club held the 2023 edition of its Walk to fight all cancers.

The fundraiser went on until December 15 and, thanks to all participants, donors, and collaborators, the Optimist Club was able to reach its spectacular objective to raise \$100,000!

**Thank you to all of you who donated before, during, and after the walk. Thanks to you, the BMP Foundation can finance equipment and treatment to fight cancer. In 2023, the funds raised went toward the acquisition of new colonoscopes.**

## SOME HEALTHY CHOCOLATE! - \$200

Last Easter, the Maître Glacier, in Bromont, organized a lovely fund raiser for the BMP Foundation. For every Easter chocolate bought, 20% of the profits went toward our great hospital. Thank you to all the chocolate lovers for the cheque of \$200 that was given to our foundation.

## A GOOD DEED

Last July, the BMP Foundation happily paid for ice cream bars organized by the CIUSSS de l'Estrie-CHUS at BMP Hospital and at both CLSC and CHSLD in Sutton and Cowansville. A small deed that went a long way for the staff of these centres to whom we wanted to show the depth of our appreciation for their hard work and their dedication to our fellow citizens.

## ONE ICE CREAM FOR ALL, AND ALL FOR THE ICE CREAM!

Between August 11 and September 8, 2023, the ice-cream bar, Le Harfang des Neiges donated \$1 for every small-size soft served sold. A beautiful initiative that raised \$1,994. Thank you to them and to all of you who had ice-cream for a cause!

## JULIETTE AND ÉLIZABETH'S BRACELETS

Last summer, Juliette and Élizabeth, two fierce 10-year-olds, raised money for the BMP Foundation by making and selling bracelets in front of their house. They donated the loveliest \$71.25 to the BMP Foundation in December. Thank you to the youngest and most precious entrepreneurs we've ever met!

## DENIS GIROUX EXHIBITION

A talented photographer hailing from our beautiful region, Denis Giroux put together, last December, a well-curated exhibit of photos he took of Cowansville. Displayed at Gabrielle-Giroux-Bertrand, the exhibition showed public spaces of Cowansville, at night. Mr. Giroux graciously offered to give the proceeds of the sales from the three pictures of BMP to the Foundation. Thank you!

## SPECIAL IMPLICATIONS

### HALLOWEEN COIN BOXES

Around 500 students from Curé-A.-Petit, Notre-Dames-de-Lourdes, Saint-Édouard, and Farnham Elementary held up our little money boxes during Halloween. Together, they were able to collect \$1,536 from generous donors. Thank you!

### LOTO-O-SUIVANT

Last November, Loto-Québec made 50 winners of \$10,000 with its Loto-O-Suivant. Great! But wait, there's more. Each of these lucky winners was given the possibility to choose its favourite NGO to which Loto-Québec would also give \$10,000.

We felt blessed when some generous soul from Brome-Missisquoi chose us! We thank them, from the bottom of our hearts, for thinking of us and allowing us to improve healthcare in our community.

### LANCÔME CAMPAIGN AT JEAN COUTU

From December 10 to 17, 2023, Jean Coutu Cowansville donated \$5 for every Lancôme product sold. Thanks to a highly motivated team, they raised \$255! Thank you to them and their customers who bought their Christmas gifts for a good cause.

### Do you want to make a difference in the Brome-Missisquoi community?

There's still time to take action with your own project! In fact, the BMP Hospital Foundation has put together an Organizer's Guide designed with you in mind. You can create your own fundraising campaign in support of the BMP Hospital. The guide covers every stage of your event to help you with every aspect of your fundraising project. If you're interested in organizing a fundraising event, contact us at 450 266-5548 or visit our website at [www.fondationbmp.ca](http://www.fondationbmp.ca).

## MEDIA PARTNERS

LE TOUR

THE RECORD

The BMP Foundation wishes to sincerely thank its dedicated collaborators who supported the staff at BMP Hospital by donating delicious goods, equipment, and more.

# THANK YOU TO OUR VOLUNTEERS

**1926**

Hours of volunteering

**47**

Number of volunteers

**763**

Number of participants who attended the BMP Foundation events

**ROLES FILLED**

Setting up and decorating rooms, welcoming participants, running contests, organizing and awarding auction prizes, site security, item packaging, running commissions and more!

In all, the BMP Foundation's motivated and dynamic volunteers lent a hand at four events organized by the BMP Foundation, for a total of 1926 hours. The Foundation would like to highlight the involvement of some forty volunteers active at all these events and the 8 volunteers working in the BMP Hospital Auxiliary Boutique.

**Are you looking to get involved in your community? Join the Foundation's team of volunteers.**

Thank you to Marie-Josée Croteau who shared her experience as a long-time volunteer with the Foundation.

*"I have been employed by the CIUSSS de l'Estrie-CHUS for some years now, and I wanted to give back to my community. When I was given the opportunity to volunteer for the BMP Foundation, I seized it. The reasons for my commitment to the Foundation are diverse: I want to help in building successful projects with like-minded people, meet new people, and grow as a person. It is my way of making a small difference for our hospital. If my volunteering has an impact, no matter how small, then I'm happy."*

## George Bristol Award

The George Bristol Volunteer Award is designed to promote and recognize the exceptional dedication of men and women who are committed to the well-being of the BMP Hospital and the BMP Foundation community. Each year, the **George Bristol Award** is presented at a special event to thank our volunteers.

In 2023, with great honor and a lot of gratefulness, we gave the George Bristol Award to **Mr. François Riendeau**.

François Riendeau has been on the BMP Bursary committee since the inception of the program in 2002. Ex school principal, Mr. Riendeau has lent his keen eyes and mind to the committee for the examination of student files every year for the Cegep and the Effie Côté Bursaries. He is genuinely curious about all the young adults he meets, and their stories. With this George Bristol Volunteer Award, the BMP Foundation wished to officially thank him for his time and passion. On behalf of our future nurses, doctors and health professionals, thank you Mr. Riendeau!

## Interested in volunteering with the BMP Foundation?

You can write to us at [info@fondationbmp.ca](mailto:info@fondationbmp.ca) or call 450 266-5548. During a short interview in person or over the phone, we'll ask you a few questions about your main interests so we can get to know you better and suggest activities that match your skills. We're always on the lookout for new members of our volunteer family! We look forward to meeting you!

# TESTIMONIALS

*I think all the staff at BMP is so dedicated, caring and so very humane. Patients are well taken care of, and everyone is nice. Thank you and keep up the good work!*

- Louise Lord

*My six children were born at BMP. I'm 62 but I remember how attentive the nurses were with my newborn twins so that I could rest a little bit because my toddler was at home, waiting for my return. Since then, I have received services many times: emergency, gynecology, orthopedics. Every time, I was looked after by nice and caring people. Thank you!*

- Anonymous

*Congratulations on your 30 years at the BMP. It is so nice to read about all the things that you and the hospital have accomplished over the years. Although I know longer live in Cowansville, I have such great memories and knew growing up there how fortunate we were to have the BMP Hospital and over the years saw how it progressed. It is certainly a community hospital. Congratulations to you all on your accomplishments and keep up the great work. Sincerely,*

- Linda Parr

*In the actual context, it is so important to celebrate our proximity hospital and its human-scale services. Thank you for being there!*

- Anonymous

*BMP is a great hospital and the staff remained patient and professional during the Pandemic. They're always helpful, nice, and comforting.*

- Anonymous

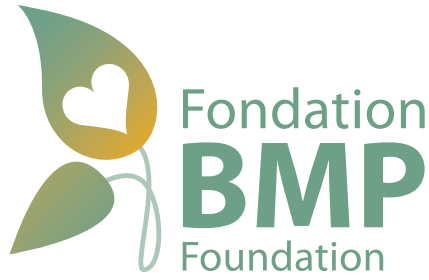

*I am a two-time cancer survivor, and I am so blessed to have a wonderful team of people to take care of me over the years. I do the cancer walk every fall and try my best to give back to BMP. BMP has been a part of my life for over 50 years. I try to encourage people to realize what a gem and how blessed we should be about this establishment. Merry Christmas to all and may 2024 keep on giving and growing at BMP.*

- Anonymous

*I'd like to express my most sincere gratitude to all the staff at BMP, Cowansville who took great care of my husband when he underwent a minor surgery on December 27, 2023. Everything went well, the team was calm, reassuring, and comforting. The recovery at home also went very well, so my many thanks go to all the staff at BMP!*

- Marie-Soleil Michon, on Rouge FM

1993 - 2023  
More than \$32M

### 1910 - 1993

Doctors and citizens rally to buy the American House Hotel in 1910. It became the Brome-Missisquoi-Perkins Hospital and was enlarged in 1952. Thanks to a fundraising campaign, the BMP Foundation was created in 1993.

### 1999

To protest the closure of the Trauma Center, the public formed a human chain around the BMP Hospital.

### 2002

With the aim of encouraging local students to pursue their studies and have a career in the healthcare field in Brome-Missisquoi, the BMP Foundation created the Student Bursary Program.

**TOTAL SCHOLARSHIPS OFFERED SINCE THE PROGRAM'S INCEPTION: \$166,000**

### 2008 - 2013

With the 2008 - 2013 Major Campaign, the BMP Foundation helped finance the relocation of the Emergency Department and the construction of specialized outpatient clinics.

**BMP FOUNDATION INVESTMENT: \$5 MILLION**

## 2017

With the financial support of the BMP Foundation, the Birthing Pavilion got a new look. Today, patients who have given birth enjoyed beautiful rooms in a rejuvenated décor with new furniture.

**BMP FOUNDATION INVESTMENT: \$240,000**

## 2018

Thanks to the relocation of the Oncology Clinic, patients are treated in a modern and bright environment.

**BMP FOUNDATION INVESTMENT: \$1.7 MILLION**

## 2018-2022

Thanks to all the donors and volunteers of the S'Élever-Rise campaign, the BMP Foundation has helped to fund the brand-new orthopedic clinic. More spacious and accessible, it meets the growing demands for treatment in this field.

**BMP FOUNDATION INVESTMENT: \$1.35 MILLION**

## 2023

BMP Foundation celebrates its 30-year anniversary with a new brand image.  
A breath of modernity for the next 30 years!

## For today's and tomorrow's generations

In addition to general donations and charitable events organized by the BMP Foundation, there are also opportunities to contribute to our mission via planned giving. Planned giving is another form of charitable contribution that you can establish with your notary, financial planner, or lawyer.

There are several reasons to make this type of donation: to make a major contribution to a cause that is important to you, upon your death, to ensure that your last wishes are respected, to let go of the cost of a financial product that you no longer need, or to allow you or your heirs to benefit from substantial tax benefits.

## There are several forms of planned giving:

### CONSIDER THE BMP FOUNDATION IN YOUR WILL

To give back to the next generation, or to express your appreciation for your hospital and its health-care teams, you may consider incorporating a gift to the BMP Foundation in your will. In doing so, you will be sharing profound values with your loved ones, friends and family while underscoring the importance of quality health-care treatment.

### LIFE INSURANCE

You may choose to name the BMP Foundation as the beneficiary of one of your life insurance policies upon your death. It is also possible to donate a life insurance policy for which you no longer wish to pay the premiums, rather than cancelling it.

### PUBLICLY TRADED SECURITIES

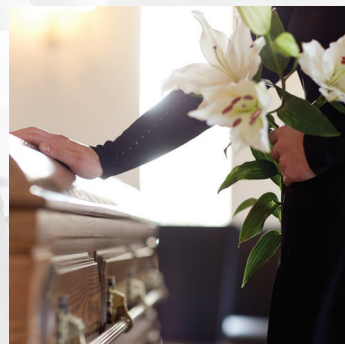

By donating publicly traded securities (outside of a registered plan), you contribute to better healthcare in the Brome-Missisquoi region and receive substantial tax benefits. In addition to receiving a donation receipt for the fair market value of the donated securities, you can obtain a tax exemption on the donation from the tax payable on the capital gain.

## Planning at all levels

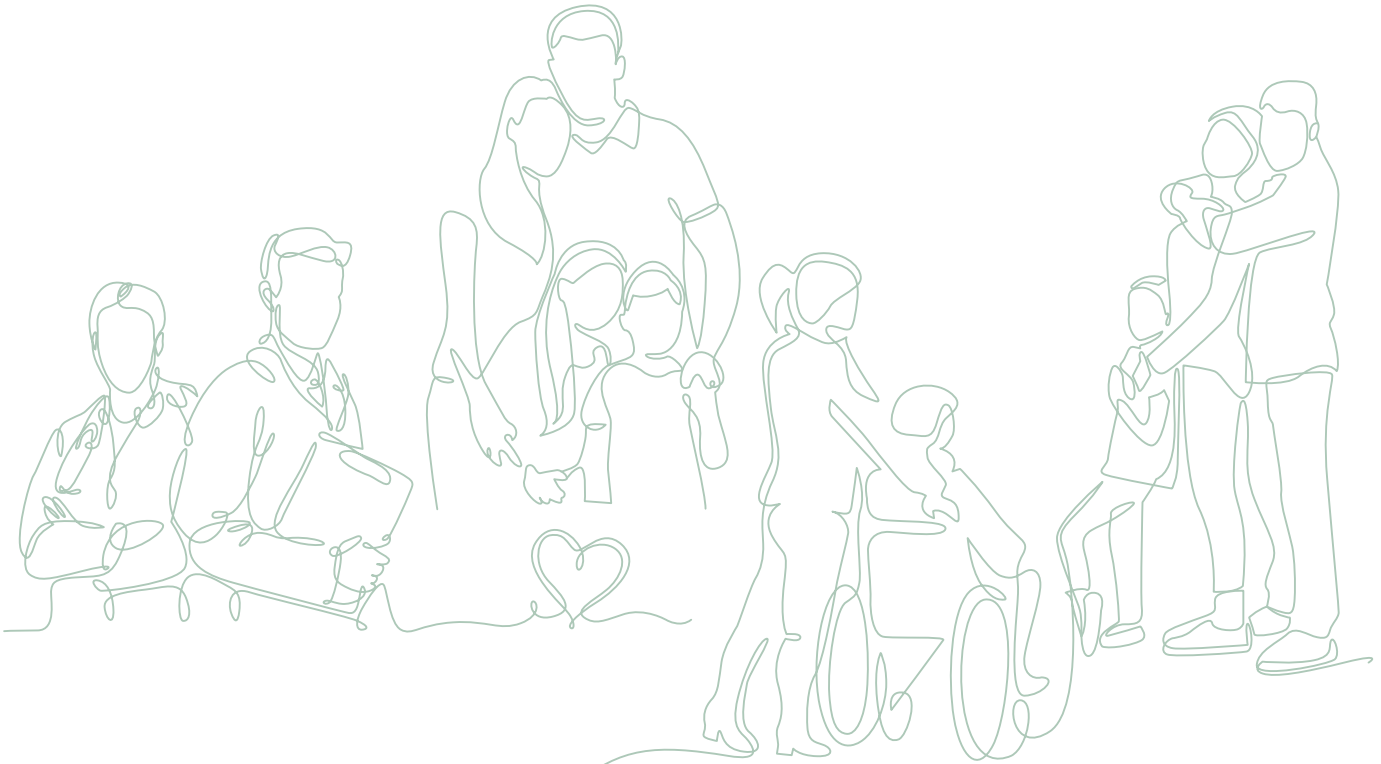

This form of giving speaks to your desire to give now or in the future to a cause that is important to you. By consulting with your preferred professionals, you may be able to find a solution that allows you to give without necessarily spending money today.

It is important to consult with trusted specialists to ensure that your planning will have the desired results.

The triangular collaboration between you, your professionals and the BMP Foundation is the key to the success of your planned gift and the philanthropic goal you wish to achieve.

**MERCI**  
THANK YOU

# IN MEMORIAM DONATIONS

An *in memoriam* donation is a gesture of love and support made in memory of a deceased loved one. It is an opportunity to express sympathy while supporting a cause that is important to the family and friends of the deceased. It is also a means to show appreciation to the healthcare teams for the medical care provided to the patient during his or her last visit to the Brome-Missisquoi-Perkins Hospital.

**Giving to the Brome-Missisquoi-Perkins Hospital Foundation is a way to pay tribute to the memory and values of a loved one.**

*The Foundation wishes to express its deepest condolences to the bereaved families.*
